To Print The Last Week of The Life of Christ in Book Format.

Note: Use these directions to print from rear sheet feeder or rear tray:

1. Only print one page at a time, so you can orient the page properly.
2. Make sure you are setup to print in Landscape Mode!
3. For a 3 or 4 page printout:
   a. Print page 1
   b. Pull paper straight-out towards you and flip page over on its side, then rotate it around and insert back into paper feed tray, so page 1 is facing down and away from you
   c. Print page 2
   d. Pull paper straight-out towards you and insert into paper rear feed tray without rotating or flipping the paper, so page 2 is facing down and toward you
   e. Print page 3
4. Fold paper in half now for 3 page book format or to print page 4 go to step 5.
5. To print page 4 - for a 4 page book format:
   a. Pull paper straight-out towards you and flip page over on it's side, then rotate it around and insert back into paper feed tray, so page 1 is facing down and toward you.
   g. Print page 4
6. Fold paper in half now for 4 page book format!
